

code/interfaces/ISerializable.hpp

```
graph TD; A[code/interfaces/ISerializable.hpp] --> B[string]; A --> C[map]; A --> D[vector];
```

A diagram illustrating inheritance. At the top is a gray rectangular box with a black border containing the text "code/interfaces/ISerializable.hpp". Three blue arrows point downwards from the bottom center of this box to three separate white rectangular boxes with gray borders below it. The boxes are labeled "string", "map", and "vector" from left to right.
