

code/interfaces/IObserver.hpp

```
graph TD; A["code/interfaces/IObserver.hpp"] --> B["mutex"]; A --> C["thread"];
```

The diagram illustrates the dependencies of the file `code/interfaces/IObserver.hpp`. It is represented by a gray rectangular box at the top. Two blue arrows originate from the bottom center of this box and point downwards to two separate white rectangular boxes. The left box is labeled `mutex` and the right box is labeled `thread`. This indicates that `IObserver.hpp` depends on both `mutex` and `thread`.

mutex

thread
